In submitting the above report the Commissioners have but to add that the County Farm has been under the charge and management of Stephen Shannon and wife during the last year, who have in a faithful manner performed the various and difficult duties of their position, and have endeavored to make the place a home for the unfortunate, but often worthy class of our community, under their charge.

In consequence of the almost entire failure of the potato crop on the Farm, and the advance on some of the necessities of living, the bills are a trifle larger than those of last year.

WILLIAM DYER,	} County
JAMES W. COGSWELL,	
RICHARD GOVE.
